NATIONAL CERTIFICATE OF CONFORMITY OF THE FACTORY PRODUCTION CONTROL

No 020-UWB-0547/Z

In compliance with the Ordinance of the Minister of Infrastructure and Construction of 17 November 2016 on the Way of Declaring Performance of Construction Products and Way of Labelling Them with The Construction Mark (Journal of Laws item 1966) this certificate applies to the construction product:

Kit of products for thermal insulation of external walls of buildings using the IZOFLEX WM system

listed in pt 1 of AT-15-9805/2016
purpose, scope and conditions of use in accordance with pt 2 of AT-15-9805/2016

Kits of products for cladding and thermal insulation of external walls of buildings using the IZOFLEX system

technical description of the product – as given in pt 1 of ITB-KOT-2018/0469 wydanie 1
intended use – as given in pt 2 of ITB-KOT-2018/0469 wydanie 1

covered by the technical approval and national technical assessment:

AT-15-9805/2016, valid until 30.12.2021
ITB-KOT-2018/0469 issue 1, valid until 21.05.2023

placed on the market under the name or trade mark of:

IZOTECHNIKA Sp. z o.o.
ul. Limanowskiego 53
47-300 Krapkowice, Poland

and produced in the manufacturing plant:

IZOTECHNIKA Sp. z o.o.
ul. Limanowskiego 53
47-300 Krapkowice, Poland

This certificate attests that all provisions concerning the assessment and verification of constancy of performance which refer to the performances defined in the aforementioned technical approval and aforementioned national technical assessment under national system 2+ are applied and that

the factory production control is assessed to be in conformity with the applicable requirements.

Certificate No 020-UWB-0547/Z was first issued on 28.03.2017 and preceded by certificate No ITB-0547/Z. This certificate (updated on 02.07.2018) will remain valid as long as the product's reference documents are valid as long as neither the technical approval and national technical assessment, the AVCP methods, the construction product nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the accredited product certification body.
